such crop year. If the total amount represented by the deposit fees which accompanied the applications for diversion exceeds such costs, each producer, and each cooperative marketing association, entitled thereto shall receive a proportionate refund of the net amount. Such refund shall be calculated in the same proportion as the quantity of prune plums diverted by each such producer, and each such cooperative marketing association, is to the total quantity of prune plums diverted: *Provided*, That the Committee may prescribe a minimum charge to cover costs of processing each application for diversion submitted to it.

REPORTS AND BOOKS AND OTHER RECORDS

§ 993.172 Reports of holdings, receipts, uses, and shipments.

(a) *Holdings as of March 31*. Each handler shall, on or before the 15th day of April, file with the committee a signed report of holdings of prunes which have not been inspected or received by him as a handler as of March 31. The report shall show for such prunes the name and address of the producer or dehydrator, the date of each identification tag assigned to such prunes, the numbers and dates of door receipts or weight certificates or any other identifying documents assigned to such prunes, the net weight shown on each, the total net weight of all prunes so held, and the name and address of the handler making the report.

(b) *Receipts by handlers*. Each handler shall file with the committee, for each month, not later than the 5th working day of the next succeeding month, a signed report on Form PMC 11.1, "New Crop Supply and Inbound Prune Report", containing at least the following information: (1) The date, the name and address of the handler, and the period covered by the report; and (2) the total tonnage received during the month from each of (i) producers and dehydrators, (ii) other handlers, including interhandler transfers, and (iii) sources other than producers, dehydrators and other handlers.

(c) [Reserved]

(d) *Shipments by handlers*. Each handler shall file with the Committee for each quarter, not later than the 5th working day of the months of November, February, May and August, signed reports on Form PMC 12.1, "Reports of Shipments," and Form 12.1A, "Cumulative Prune Export Shipments" reporting shipments of prunes during the crop year through the last day of the immediately preceding quarter. Such

reports shall contain at least the following information:

(1) The date, the name, and address of the handler, and the period covered by the report;

(2) The pounds of prunes shipped or otherwise disposed of, other than shipments to or for the account of other handlers as follows: Domestic outlets segregated by uses (including Federal Government agencies); export markets segregated by regions; both domestic and export totals segregated by type of pack (bulk and consumer pack); and pitted prunes (pitted weight) segregated as to total to domestic outlets and total to export markets segregated by regions;

(3) The total pounds shipped to or for the account of other handlers, including interhandler transfers; and

(4) The total pounds of prunes not covered by, or excluded from, the definition of the term “prunes” (§993.5) shipped.

(e) *Holding of reserve prunes.* Upon request of the committee, a handler shall file with the committee, within 10 calendar days thereafter, a certified report on Form PMC 4.1, “Reserve Prunes Held by Handler”, containing the following information as of the date specified by the committee in its request: (1) The date and name and address of the handler; (2) the effective date of the report; and (3) the tonnages of reserve prunes physically held by or for the handler, itemized by plants, together with the location of the plants and itemized by the tonnages and average size count by category held at each such plant.
